13Forever, a Michigan-based 501 c3 nonprofit charitable organization, determined to change the game in the fight against pediatric cancer. As parents whose son lost his battle to pediatric cancer, we believe no parent should ever hear the words, "I'm sorry, there is nothing more we can do.". Our mission is to spread awareness in our community and to raise funds for the numerous cancer organizations and research facilities helping families during their darkest times.

## A letter from the Townsends

Justin was a carefree 12-year-old until he began experiencing severe headaches in September 2013. Doctors discovered a brain tumor, and he underwent surgery three days later. He was diagnosed with Glioblastoma-Multiform three weeks later. Justin was taken to St. Jude Children's Hospital for treatment and received the best medical care possible. He returned home just before Christmas 2013, but St. Jude continued to provide support, establishing a treatment plan with Justin's home doctors and mailing medication to their home. Justin passed away on August 7, 2014, at 13. St. Jude gave the family hope and courage to fight alongside Justin. The Townsend family is grateful for the support and donations made to Team JBird, St. Jude, and 13Forever.

Fly High Superman  
Sincerely,  
The Townsend Family
